"Our group of 30 students had the opportunity to take part in a study trip to Bordeaux. [...] Our students stayed with incredibly welcoming and inclusive host families, who gave them excellent opportunities to practise their French outside the classroom. [...] Overall, it was a wonderful experience, and I highly recommend this school to anyone looking for a well-organised and rewarding language learning programme."

"A very good, well-organised school. The teachers were highly skilled, the atmosphere was welcoming, and the activities were both educational and enjoyable. Our students stayed with host families, and everything went very well. I hope to organise another stay in Lyon soon."

"Everything ran smoothly in Montpellier: the lessons, host families and activities. The students loved it — and I was able to relax!"
